## WORK EXPERIENCE

Research Assistant

August 2022 – May 2023 📅

**Singapore Management University**

- Developed an administrator webpage to assist PhD student in research (TypeScript)
- Performed data cleaning of participants' interviews (Python)

Teaching Assistant (For Web Application) January 2023 - April 2023 📅

**Singapore Management University**

- Assist professors in answering students' programming questions (HTML, PHP)
- Guide students in programming exercises in class (HTML, PHP)

Web Developer Intern

May 2022 – July 2022 📅

**Hey! Chips**

- Optimized the website performance and loading speed through image compression, image resizing and removing redundant code
- Researched on competitors' website, collated the findings, presented them to the supervisor, and executed the final design on Shopify's PageFly Page Builder (Figma, Shopify)
- Manually added a section into Shopify's theme code to allow users to change countries (Shopify's Liquid)

Research Assistant

September 2021 – April 2022 📅

**Singapore Management University**

- Aided in developing a website to assist the developers who are working on another tool to help visually impaired people understand and follow along in a video (ReactJS)
- Planned and designed the layout of the website together with a Professor and a PhD student (Figma)

Web Design Intern

July 2021 – Jan 2022 📅

**Bamboo Builders**

- Planned, designed, and revamped the layout of both the desktop and mobile version of the website to improve UI/UX (Wix)
- Led a team of volunteers and interns to perform tasks assigned by director
- Compared the usability of different payment methods like Stripe, Braintree and Paypal, and proposed one that is most intuitive and efficient to use
- Completed a mockup on the user journey of the payment procedure

Web Developer Intern

April 2018 – August 2018 📅

**Tribal Worldwide**

- Performed User Acceptance Testing (UAT) for several websites
- Completed Electronic Direct Mail (EDM) for several companies (HTML, CSS, JS)
- Implemented website for MCCY Safer Giving and integrated with a database (HTML, CSS, JS, WordPress)

## CO-CURRICULAR ACTIVITIES
